

FOR WHEN *I'm*
not HERE

A place to
leave words
that matter

how this WORKS

This piece is made up of a few simple sections.

Each one has a different purpose.

You don't need to complete them all.

You don't need to write in order.

Some pages include a gentle starter line.

You can use it, change it, or delete it entirely.

There's no right way to do this.

You're simply leaving words to be found later.

This can be used at any stage of life.

You don't need a reason to begin.

These are Very Important Notes from...

THINGS *I would* *want you* TO KNOW

A place for the most important truths.

These pages aren't written to anyone in particular.

They're written in your voice, as if you were in the room.

You might write about things you hope are never misunderstood, or words you'd want remembered.

THINGS I WOULD WANT YOU TO KNOW

I don't know when you'll read this, but I want you to know...

LETTERS *I would* *want you* TO HAVE

*You can start anywhere, and write to anyone.
Messages written to the people who matter to you.*

You can write to one person or many.
You can write one letter, or several.

These don't need to be perfect or complete.
They are simply words you'd like to leave behind,
or things you never quite got to say,
if timing or circumstance had allowed.

LETTERS I WOULD WANT YOU TO HAVE

Start writing, whatever you'd like to say...

LETTERS I WOULD WANT YOU TO HAVE

If you're not sure where to begin, you could start with "If you're reading this"...

LETTERS I WOULD WANT YOU TO HAVE

Start with a few words, you can take it from there...

LETTERS I WOULD WANT YOU TO HAVE

It doesn't need to be perfect, just begin...

PRACTICAL *things*

Helpful notes, written in a human way.

This section is for the things you'd normally explain out loud.

It's not legal or official, just practical. This doesn't replace a will or formal documents. It sits alongside them.

You might include where things are kept, who knows what, or what doesn't need worrying about.

This is just to make things easier...

small WISHES

Gentle preferences, not demands.

This section is for the little things.

Music, places, objects, or details that feel like you.

Nothing here has to be followed.

They're just quiet wishes.

These aren't instructions, just a few gentle wishes...

extra PAGES

Space to keep writing.

These pages are intentionally open.

They're here in case you want to add something later,
or write something that doesn't fit anywhere else.

No starter line. Just space.
